

RESIDENT SERVICES 2023 IMPACT REPORT

Resident Services Rebuilding

Resident Services in 2023 was in a rebuilding phase employing two full-time and one part-time staff statewide to serve 9 affordable housing properties and over 2,500 residents. The small team was able to establish trusting relationships and make an impact with residents throughout the state through a variety of services. We are proud of the accomplishments the team made in 2023.
